AIG BUSINESS TRAVEL ACCIDENT INSURANCE

Business Travel Accident (BTA) insurance is provided globally for all employees through AIG. BTA Insurance pays benefits if an accidental injury results in your death, dismemberment, or another covered loss, but only if the accident occurs while you are traveling on NXP business. BTA insurance begins on your first day of work, or on the day you first meet the eligibility requirements for plan participation. Your BTA insurance coverage amount is also known as your "principal sum." BTA insurance coverage (principal sum) is equal to three times your eligible compensation. BTA pays your principal sum up to plan limits for your accidental death. For other covered losses, BTA pays a percentage of its principal sum up to plan limits as your benefit. A copy of the AIG Policy is available for your review at <http://www.nxp.com/assets/documents/data/en/company-information/benefits/AIGPolicy.pdf>. For questions about your NXP BTA insurance please reach out to Arie.Wouters@nxp.com.
